## About the Presenters

### Danielle Bouwhuis

Danielle Bouwhuis has 10 years of teaching experience in rural, suburban, and urban settings, spanning grades K-8. She has a master's degree in Educational Technology and served as an Instructional Technology Specialist at the high school level. Danielle has a deep compassion for the circumstances educators are navigating as they try to prioritize building positive relationships among staff and with their students. She draws on her experience as Director of uMap™ at Become Unmistakable, where her work comes full circle to deliver a high-impact and meaningful tool to both educators and students in and out of the classroom.

### Jodi DeRoo

Jodi DeRoo's passion is people. She believes most people have untapped potential, and if businesses invest in unleashing that potential – the numbers will follow. She has had the opportunity to master a variety of roles, from lending to treasury management to operations to talent management. She has helped drive cultural change in a way that inspired organic growth, momentum and team member engagement. About 10 years ago she started digging deep into the brain science behind human interactions and it opened up a whole new obsession for her! Recently, she received her Brain Based Coaching Certification and continues to incorporate the neuroscience behind leadership into her trainings.
